Boolean Mobi AW 91

Industrial Tablet Windows 10 / Android 4.4.3

Merging ultimate mobility with true field functionality, the Mobi A/W91 rugged handheld is a durable tool designed with fieldwork in mind — it's packed with features, it's compact and truly portable, and it offers a reliable computing solution for challenging worksite environments.

The Mobi A/W91 has all you need for work on the go. It features a high-brightness resistive 10 Inches touchscreen for a generous and practical mobile workspace, without sacrificing portability — this rugged handheld weighs just 1014 grams. The unit comes complete with either a high-performance laser scanner or 2D imager for super-fast and accurate scanning and barcoding tasks. It also features an optional fingerprint sensor. An integrated GPS receiver, offers built-in navigation functionality. Multiple connectivity options such as high-powered 3G or 4G (optional) and Wi-Fi keep you connected, everywhere and always.

The feature-rich Mobi A/W91 runs Windows 10 OS or Android 4.4.3. A high-speed 1.86GHz processor, 2GB of RAM and 32GB of Flash memory make sure this device keeps up with every task you throw its way. A unique functionality give the user the ability to count on Dual Boot mode, where can start the tablet on any of the Operating Systems.

And we do mean “throw” — in addition to being a computing workhorse in the field, the Mobi A/W91 is also built to withstand rough use, such as drops and tumbles, and it's unfazed by environmental factors such as extreme temperatures, dust and water, proved by stringent industry and military-standard durability tests. The Mobi A/W91 is IP65-rated. You can use the W81 in heavy rain or bright sunshine, fog or dust — and when you're done, just rinse it off and toss it in the truck with the rest of your gear.

A valuable tool for warehousing, logistics, field service, security, public safety and similar sectors, the Mobi A/W91 rugged handheld is built to go wherever your work takes you.

Size	272*195*22mm

<i>Storage</i>	-30 °C to 70 °C (-40 °F to 158 °F)
<i>Drop</i>	26 drops from 1 m
<i>Sand & Dust</i>	IP6x
<i>Water</i>	IPx5
<i>Humidity</i>	Humidity: 95% Non-Condensing
Processor	Intel Baytrail-T(Quad-core),Z3735F, 1.33/1.86GHz
Memory/Disk	2GB LP-DDR2, 32-bit@200MHz DDR 533MHz Storage: 32GB eMMC1
I/O slot	Single SIM slot(user accessible) Micro SD slot 64GB Communication
Operating System	Windows 10 / Android 4.4.3 (Dual OS Mode Optional)
Screen	10 inch HD IPS/AFFS(1280x800); 400 nits, capacitive 5-point multi-touch, Glove-friendly touch screen
Keypad	N/A
Battery	Li-Ion, 3.7V 10000mAh
Connections	USB (PC sync, A Host, Charging) 3.5mm headset(Stereo and mic)
HF RFID/NFC	Optional NXP NFC 13.56MHz support ISO/IEC: 14443A/14443B/15693/18092/mifare protocol
UHF RFID	N/A
1D Scanner	Optional Symbol SE655E100
2D Scanner	Optional Symbol SE4710
Fingerprint	Optional High Speed Finger Print Sensor
Communication	
<i>Audio</i>	Built in: Microphone, speaker
<i>PAN</i>	BT Class 1 & 2, V4.1
<i>Cellular(WWAN)</i>	Voice and Data, 3G(UMTS, HSPA+) , or 4G (optional)
<i>Wireless LAN</i>	802.11 a/b/g/n, 2.4GHz
Navigation	Integrated with stand-alone u-blox M8030, GPS+GNSS (EVA-7M, position accuracy with SBAS 3m CEP)
Camera	5-megapixel rear-facing camera with autofocus 2-megapixel front-facing camera
Indicators	LEDs, Vibration motor
Sensors	3-axis accelerometers 3-axis gyroscope eCompass
Accessories	Included in box International power adapter, USB cable, Quick-start guide, hand-strap

Boolean is a worldwide supplier of rugged mobile computers. Together with partners Boolean deliver complete mobility solutions to businesses in industries such as logistics, forestry, fleet management, public transportation, construction, service & maintenance, military and security. Boolean has local offices and factory in Shenzhen, China, and partners Worldwide.
