M300 Lens-less Frames

Vuzix Part Number:

446T0A010

Description:

Can accommodate both the M300 and M300 On-Frame Battery for either right or left eye mounting via the custom Vuzix rail mounting system on both temples. Temples rotate the M300 30 degrees above or below the eye. Designed with an adjustable tall nose bridge and no lenses, these frames allow the user to wear them over most pairs of prescription or safety eyewear. (Note - included in original M300 Kit)

M300 Safety Frame Kit

Vuzix Part Number:

446T0A001

Description:

M300 safety frames include left and right side clips with the custom Vuzix rail mounting system, allowing for right or left eye mounting with 30 degree rotation of the main M300. Fitted with prescription blanks, these frames can be fitted for safety rated prescriptions at most optometrist facilities. Additional accessories include a comfort nose bride, dust guard, and temple head strap for a snug fit.

M300 Safety Frame Mounting Clips (L&R)

Vuzix Part Number:

446T0A006

Description:

Set of replacement mounting clips (frame not included) for M300 safety frames include left and right side clips with the custom Vuzix rail mounting system, allowing for right or left eye mounting with 30 degree rotation of the main M300.

M300 On-Frame Battery Black

Vuzix Part Number:

446T0A011

Description:

Custom designed 870 mA battery is compact and balances the M300 on all Vuzix frames. Includes a micro USB charging port and power indicator LED light. Smart design allows for M300 to monitor power in this battery, and alert user or safely shut down the M300. Provides 2 to 3 hours of power and is easily hot-swappable for continued all day use of the M300. (Note - included in original M300 Kit)

M300 Power Cable Standard Length - Black

Vuzix Part Number:

446T0A013

Description:

The M300 Power Cable connects the M300 main unit to the M300 On-Frame Battery. Rugged custom connections lock into place simply and allow for fast hot-swapping of batteries. Standard length cable is 30 inches in length and can be used as a lanyard when the M300 is not in use. (Note - included in original M300 Kit)

M300 Power Cable Short Length - Black

Vuzix Part Number:

446T0A008

Description:

The Short Length M300 Power Cable connects the M300 main unit to the M300 On-Frame Battery. Rugged custom connections lock into place simply and allow for fast hot-swapping of batteries. Short length cable is 13.5 inches in length and is designed for use with the safety helmet mount, headband, or stand alone use.

M300 Headband

Vuzix Part Number:

446T0A002

Description:

Adjustable Headband fits any head size comfortably while providing a stable mounting of the M300. Elastic headband is lined for comfort, and holds an M300 On-Frame Battery mount on one side and a single custom Vuzix rail mount on the other side, which rotates 360 degrees allowing the M300 to be used for either the left or right eye.

M300 Safety Helmet Mounts (L&R)

Vuzix Part Number:

446T0A007

Description:

Includes both the left and right side mounts. Fits most standard US and EU safety helmets by attaching into either side's ear accessory hole. Custom Vuzix rail mounting system allows for M300 or M300 On-Frame Battery to be mounted on either the left or right side, and allows for 30 degree rotation of the main M300 unit.

M300 Micro USB Power Adaptor - Black

Vuzix Part Number:

446T0A015

Description:

Custom designed adaptor for the Main M300 body, designed to receive micro USB connection for power and On-the-Go data. Allows for direct connection to external batteries and other On-the-Go external devices.

Vuzix 9000 mA External Battery

Vuzix Part Number:

MA0000076-01

Description:

Ruggedized external 9,000 mA battery designed for 8-10 hours of use on a single charge. Lightweight and pocket-sized, the GO PUCK 6XR includes a dual USB output, 4 LED charge, long micro USB cable, and the exclusive Active mounting clip for belts or straps. Multi-unit charging stations also available.

M300 Carrying Case

Vuzix Part Number:

446T0A018

Description:

Zippered case with custom foam insert to safely store M300, M300 On-Frame Battery, 1 pair of frames, plus zippered pockets to organize cables, adapters, and some additional accessories. (Note - included in original M300 Kit)

M300 USB Charging Cable

Vuzix Part Number:

446T0A020

Description:

Straight connection USB Charging cable works on either right or left mounted battery position. (Note - included in original M300 Kit) Used for charging the M300 On-Frame Battery via USB computer connection, or wall charging brick (not included)

M300 Ear Hooks (For Lens-Less Frames)

Vuzix Part Number:

446T0A020

Description:

Spare ear-hooks for the Vuzix M100 or M300 Lens-less Frames. Allow a customized snug fit for all head sizes, stabilizing the frames on the head and preventing slippage when using in a head down position. (Note - included in original M300 Kit)

Pricing Notes and Conditions

- * Vuzix' base currency for all products is US Dollars.
- * Vuzix reserves the right to modify US Dollar pricing
- * Product Prices stated in regional currency (e.g. GBP, EUR, or JPN), include current internal Vuzix handling/transfer fees and exchange rates effective per the date of this document.
- * Vuzix reserves the right to change non-US Dollar regional prices at any time.
- * Normal regional pricing update cadence will be quarterly, but may be sooner based on fluctuations in currency exchange rates for one or more of the regions
- * It is assumed that all shipments from a specific Vuzix distribution center will be paid for in the regional currency of that Distribution Center.
- * All other ship to locations not using a stated regional currency (e.g. not GBP, EUR, or JPN) will be invoiced in US Dollars and shipped from the Vuzix US distribution center.
- * Prices are FCA nearest VUZIX distribution center in respective currency.
- * Prices exclude any shipping charges, tax, VAT, customs charges, import/export duties, or other fees required by law for the import/export of Vuzix product to the VIP's desired recipient location.
- * Products include the then current Vuzix standard warranty.
- * Products are assumed packaged with English language markings and manuals – extra language(s) may result in a price surcharge.

M300 Accessories Guarantee and Warranty Support

30 Day Money Back Guarantee

Your satisfaction is guaranteed on all Vuzix products purchased by consumers directly from our Vuzix Industrial Partners, resellers and or from our website. We want you to be thrilled with our products, so if for any reason you're not satisfied with your purchase, simply return it to us within 30 days of our shipment to you for a full refund of the product's cost. We do ask that returned products be in like-new condition with original packaging and materials. Unfortunately refunds cannot be accepted if parts are missing.

Warranty Details

If you are having issues and need to return a product for repairs, please contact our Call Center for a Return Materials Authorization number (RMA).
